

CE Series

The CE Series channel support is designed as an extended support for gas and refrigeration piping systems, conduit and hundreds of other applications. The CE Series' height is designed to be fully adjustable from 5"-12". A wide range of pipe clamps and straps can be used with this support. This is an ideal solution for pipes requiring a slope.

Available in corrosion resistant stainless steel or aluminum.

Material - Base - 100% recycled rubber, UV resistant

- Strut - 14 gauge galvanized channel strut (13/16" high)
- Rod - Two 1/2" electro-zinc plated all threaded rod risers

Warranty - 10 years

Recommended Spacing - Refer to local code

May qualify for L.E.E.D. credits
